Elizabeth Pink

28 mm · Hardened 24-karat yellow gold

Design rendering

Tenderness takes time

Pink in small measure

Elizabeth Pink marks twelve with two slender pale-pink baguettes. Their narrow outlines keep the colour close to the top of the cream dial. Beneath them, the applied A.R. signature and small seconds at six complete the vertical arrangement.

The 28 mm yellow-gold case design sits between the cream dial and a blush leather strap. The strap takes up the hue of the stones in a softer, broader surface. The sculpted crown carries the A.R. signature in profile.

The gemstone brief calls for a matched pair with restrained pink colour. The final pair will be judged together in the same light for scale, hue and alignment.

Individually priced for its genuine gemstone selection and setting. Pricing on request. Final movement, gemstone selection and availability are subject to confirmation.

Gemstone selection

Two natural, restrained pale-pink baguettes matched for colour, scale and alignment. Confirm species before purchase. If diamonds are selected, require natural colour documented by GIA.

Every finished gemstone must be individually identifiable on a GIA report. The watch or set will include the report or a complete copy for each stone.
